

# Local authority cuts: A national or local issue?

## Covering:

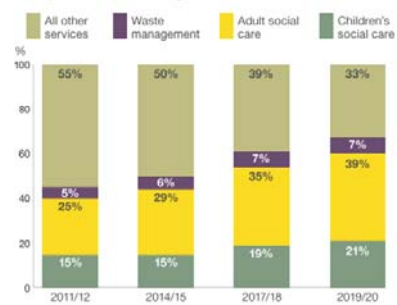

- Scale?
- Impact?
- Response?
- Future?

## Scale

## Scale

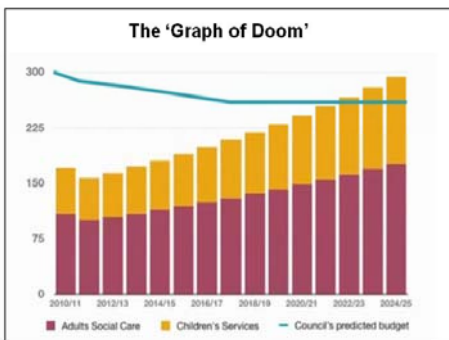

Money available for local government services, 2011-2020

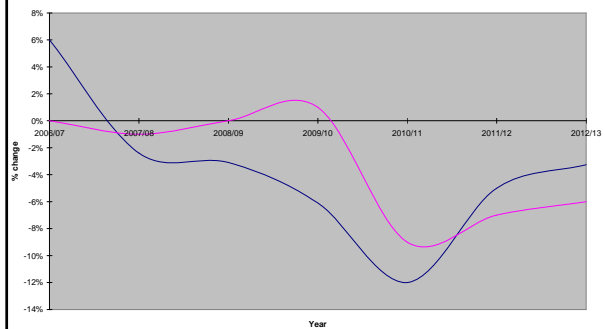

Source: Local Government Association

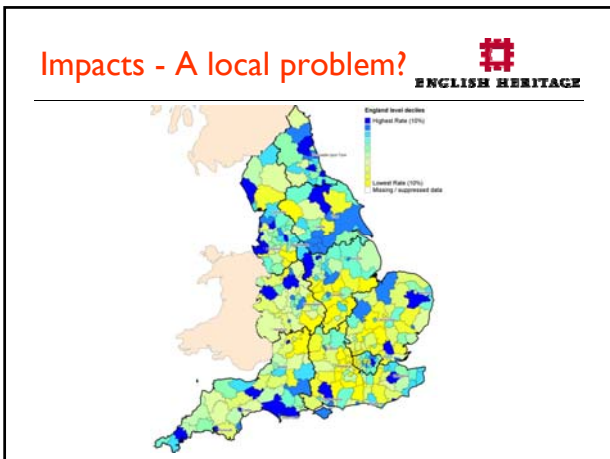

## Scale

The 'Graph of Doom'

## Impact - % change in FTEs

- ### Response
- Local Government
- Cutting services
  - Changing models of service:
    - Shared services
    - Merging services
    - Externalising service (trust)
    - Charging
    - Contracted consultant
- English Heritage logo

- ### Response
- English Heritage
- Making the case nationally (Heritage Counts)
  - Understanding the scale of the issue
  - Emphasising contribution of service / HE
  - Understanding the impact of service change
- 
- Engage with local authorities reviewing services
- English Heritage logo

### Response

Joint working:

English Heritage logo

### Future

*“Councils now have a direct and a financial interest in the outcome of planning applications for new developments. That cannot be right.”*

**Paul Turner-Mitchell, owns a fashion boutique in Littleborough (taken from Guardian blog)**

English Heritage logo

### Future

*“It is now clear to anyone in a senior role in local government that we will have a wider responsibility for place, not just the delivery of public services.”*

**Sir Howard Bernstein, Chief Executive of Manchester City Council**
